SAP Partner Solution Center

Global Partner Operations

Robert Vetter

SVP Global Partner Operations

Portfolio Management ERP Solutions & PSG

*SAP Rapid Deployment solutions enable low cost of implementation by providing a ready-to-consume combination of:

- SAP software: Broad portfolio coverage support cloud, hybrid and on-premise landscape
- Best Practices: Content delivery guidance and configuration for best business and best implementation practices
- Predefined services from partners or SAP at a predictable price, effectively eliminating cost overruns and project delays
